Product Name:

Earthwalk Laptop Carts

Product Manufacturer:

Earthwalk

Product Description:

Energy efficient laptop carts.

(Attach Product Technical Sheets)

Additional Comments: The energy savings pays for itself rather quick

EVALUATION CRITERIA

A. Product Reliability

1. Vendor / Product track record

The product is solid and well built. The carts are as easy, if not easier to move than other brands. Their product specialist has been easy to get a hold of.

2. Vendor support required

none.

3. Ease of use

Very easy to use.

4. Support required by RIC / school district

None.

5. Potential to become "White Elephant"

6. Training requirements

None.

B. Product-Price / Acquisition

1. Cost effectiveness

Costs more up front, but the energy savings pays for itself shortly.

2. Acquire via NYS Contract or local bid

NYS Contract.

3. Cost of operation and support

None.

4. Do any legal or contractual issues exist

None.

C. Product-Relationship to Other Standards

1. Compatibility to existing Standards

Unsure.

2. What other options are available

HP, Bretford,

3. Relationship to previous research and changes since that time

D.

BOCES-Service Needs

1. Define and explain the current need

An easy to use, energy efficient laptop or tablet cart.

2. What existing CoSer and RIC Service does it fall under

3. What is the scope and size of the school population to be served

Currently being used in all schools on Medina CSD campus.

4. Instructional and/or administrative goal supported

5. Results of survey determining school district interest in using this product
